Welcome

Message from the President and Vice-Chancellor of Deakin University

Congratulations on your decision to study at Deakin College.

Deakin College graduates receive the very best preparation for a successful university career. You'll find that your experience with us encourages the collaborative and independent learning that will prepare you for a life and career in this rapidly changing world.

Deakin College provides a technology-rich and inclusive learning environment focussed on helping all its students to succeed. As part of a diverse university community, students benefit from our strengths in education and research, and we offer experiences that challenge and inspire.

Since 1996, Deakin College has given over 22,000 students the opportunity to progress into a degree program at Deakin. We look forward to welcoming you when you complete your studies at Deakin College.

Professor Iain Martin President and Vice-Chancellor, Deakin University

Message from the College Director and Principal of Deakin College

As College Director & Principal, I am honoured to welcome you to Deakin College; a direct pathway to Deakin University. Deakin College provides the Deakin student experience that supports successful transition to further studies at the University.

As a commencing student of Deakin College, you will benefit from a number of advantages in your studies involving our flexible approach to teaching and learning, individualised student support, digital technologies and a wider suite of course offerings at Deakin University.

The College will also provide a quality student experience and superior student outcomes while reflecting the continuously growing reputation of Deakin University. We are committed to giving you every opportunity to succeed in your studies, and I invite you to take the first step with confidence towards achieving your educational goals with Deakin College.

As College Director & Principal, I would like to assure you of a rewarding and productive academic journey; starting at Deakin College to Deakin University and beyond.

Hamid Khattak College Director and Principal, Deakin College

"The diploma that I studied at Deakin College was a great entry level course. There was a lot of emphasis on developing study skills, learning how to correctly research, reference and cite information, which provided the necessary skills in order for me to transition smoothly into a Deakin University degree."

Christopher Godbold
Diploma of Health Science

Our mission

To deliver a world-class student experience through innovative practices, outstanding people and personalised support.

Our vision

To be a global leader in quality education.

Why choose Deakin College?

Located on Deakin campuses

Study on a Deakin University campus with full access to accommodation, support services and university facilities.

Supportive learning environment

You will have access to health services and free study support, as well as online resources to assist with study and writing skills, assignment preparation and examination techniques – all designed to help you transition smoothly to Deakin University degrees.

Flexible start dates

With three intakes per year, you can choose to enter a course when it is convenient for you. Deakin College offers three trimesters, commencing in March, June and October.

Fast-track options

Deakin College diploma courses offer a fast-track option, allowing you to complete a program in just eight months. This makes it possible to enter university much earlier than students studying in a conventional pathway program.

Small class and tutorial groups

Small class sizes are one of the benefits of studying at Deakin College. With a maximum of 30 students per class, complemented by small group tutorials and workshops, you will receive intensive academic contact and support.

Convenient transport

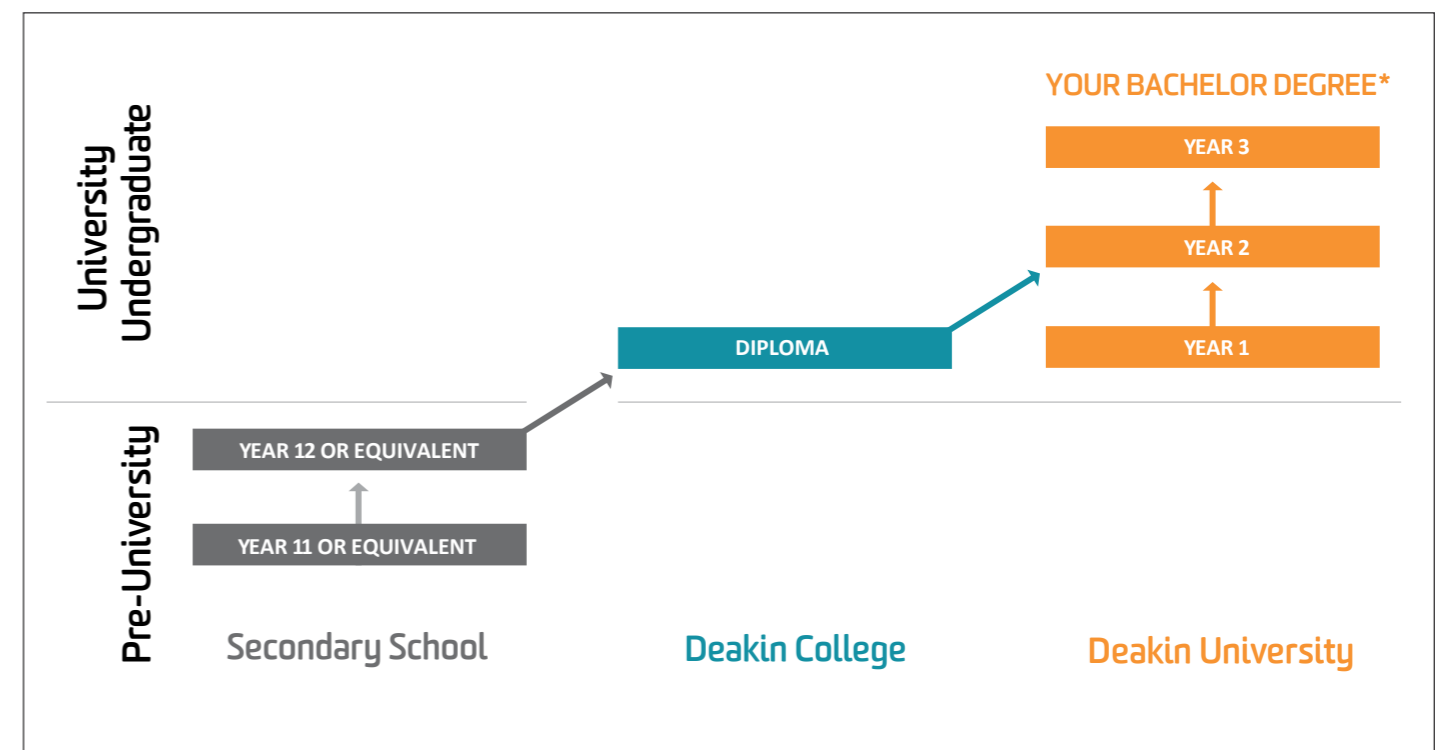

All Deakin College campuses are conveniently located and easily accessible by public transport. For more information on public transport in Melbourne and Geelong.

Shape your future

Skills to get you a job

Strengthen your employment prospects and gain a competitive edge in the workplace by learning in-demand, real-world skills that employers are looking for.

From our \$55 million engineering training facility to our dedicated studios and hi-tech equipment for the creative arts, you'll gain the expertise to become one of our highly sought-after graduates.

Get work-ready with our industry connections and work placements

Our close ties with industry mean that you get:

- courses shaped by industry experts and matched to current industry practice
- a well-recognised qualification that stands out to employers

Many of our courses offer:

- workplace internships
- placements
- work-integrated learning programs

You'll get your career off to the best start by gaining skills, knowledge and networks through work experience – and earn credit towards your degree at the same time.

We'll support your learning

At Victoria's #1 university for student satisfaction*, you will be encouraged to explore your passions and empowered to succeed. Whether you'd like to improve your study skills or get help with a tricky assignment, there's plenty of support available. Turn to our student mentors, online resources and highly qualified staff. Our premium online learning platform gives you the autonomy to manage your enrolment and course material, communicate with your classmates and teachers, sort out your timetable and plan your career.

*Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2022 (GOS), Quality Indicators for Learning and Teaching (QILT).

Learn from leaders in their field

Our outstanding academic staff are active participants and influencers in their fields. They share their skills and knowledge and give you valuable industry insights. This is why we're Victoria's #1 university for teaching quality.*

*2022 Student Experience Survey, Quality Indicators for Learning and Teaching (QILT).

Access state-of-the-art facilities

Work with tomorrow's technology today in our inspiring learning environments, where you can:

- walk through virtual landscapes
- prototype ideas with 3D printing
- trade stock in a simulated trading room
- merge movement and art in our motion capture lab
- use a climate chamber to simulate extreme conditions of temperature, humidity, altitude and oxygen levels.

International study experiences

Expand your horizons by joining a virtual global learning program or an international internship, exchange, study tour or volunteer placement. Gain a competitive edge in the workplace and get credit towards your degree by studying abroad at a Deakin partner university, located in more than 40 different countries. Visit deakin.edu.au/overseas-study for more information on where your Deakin degree can take you.

Deakin College locations

Deakin College has four campus locations. In Australia we are located on three Deakin University campuses in the state of Victoria. One is in metropolitan Melbourne and the other two are in Geelong. The fourth campus is in Jakarta, Indonesia.

Melbourne, Australia

Victoria's capital city, Melbourne, is recognised as one of the world's most liveable cities. Melbourne is a friendly, multicultural city, offering world-class entertainment, dining, beautiful gardens and excellent shopping within the CBD and sprawling suburbs, each with their own unique character and hidden gems to discover.

Situated on Australia's south-east coast, Victoria's dramatic coastlines, deserts, snowfields, and mountains, are all within easy reach. Explore countless beaches and idyllic towns dotted around the state and visit the Mornington Peninsula to partake in the region's renowned wine, food, culture and activities.

Burwood campus

Melbourne Burwood Campus

The Melbourne Burwood Campus is Deakin University's largest campus. The site is continually evolving to match students' needs both in and outside of the classroom. Students enjoy abundant learning and social areas in a relaxed atmosphere.

Getting to Burwood

Easily accessible, the Campus sits between the Lilydale/Belgrave, Glen Waverley and Alamein train lines. A number of bus routes and tram lines service the campus, as well as a network of bike paths.

ptv.vic.gov.au

Do you need choice and flexibility in where you study?

Choose to study part or all of your course online at Deakin College and join our highly engaged, connected and motivated community of online students*.

Geelong, Australia

Only an hour from central Melbourne, Geelong is Victoria's second largest city. With all the modern amenities including excellent cafés, restaurants, shopping and recreational facilities, and close to some of the best surf beaches on earth, Geelong offers a clean, healthy and relaxed living environment.

Geelong's surrounding areas offer their own entertainment and discovery. Tours and incredible day trips to the world-famous Great Ocean Road offer everything from sleepy coastal towns to incredible food, views and activities.

Waterfront campus

Waurn Ponds campus

Geelong Waterfront Campus

The Geelong Waterfront Campus is located in the central business district of Geelong. A modern, impressive campus centre with creative areas to catch up or study, striking heritage architecture and views of the spectacular shores of Corio Bay make the Geelong Waterfront Campus a truly iconic site.

Getting to Geelong, Waterfront

The campus is in the centre of Geelong, Victoria's second-largest city. It is just 400m away from Geelong station, which is about one hour from Melbourne and two and a half hours from Warrnambool by train.

You can also catch a suburban bus to campus, or to the bus interchange on Moorabool Street, just 700m from campus.

ptv.vic.gov.au

Deakin provides a convenient, free shuttle bus between the Geelong Waurn Ponds and Waterfront campuses.

Geelong Waurn Ponds

Waurn Ponds is home to cutting-edge facilities such as Carbon Nexus, Centre for Advanced Design in Engineering Training (CADET) and Deakin Medical School, all set amongst expansive grounds that encourage students to make the most of outdoor space.

Getting to Geelong, Waurn Ponds

The campus is at the start of the Great Ocean Road. The closest train station is Geelong Waurn Ponds, which is about an hour and a half from Melbourne's city centre. From there, you can catch route 41 or 42 buses directly to Deakin College Waurn Ponds campus in under 10 minutes.

ptv.vic.gov.au

Want more campus info?

Campus maps and more information can be found at deakincollege.edu.au/about.

If you would like to book a tour of one of Deakin's campuses, please email:

deakincollege@deakin.edu.au.

Student life and support services

At Deakin College, we recognise the importance of meeting both your academic and personal needs. We offer a range of services and facilities to make your time at Deakin College as enjoyable as possible. Our qualified staff will also support you as you adjust to studying in a new environment

Orientation and Enrolment

Orientation and enrolment programs commence the week before each trimester. You will meet your teachers, receive your student ID card and learn about enrolling in classes and creating a timetable. More information will be provided with your letter of offer. Attendance is compulsory.

deakincollege.edu.au/future-students/week-one/orientation-enrolment

Learning and health support

As a student you have access to Deakin University's large support network:

- Free, confidential personal or welfare counselling service
- Language and learning advisors and additional study support services
- Study skills workshops: study and writing skills, assignment preparation and examination techniques
- Health Services Unit: general medical care, health promotion and stress management
- Chaplain: spiritual and pastoral care (Australian campuses only)

deakincollege.edu.au/student-services

Study skills support

Make an appointment with a Student Learning Advisor for assistance with specific study skills such as referencing, essay structure, time management and exam preparation.

deakincollege.edu.au/student-learning-advisors

Student Committee

The Student Committee (SC) acts as the voice of our students, ensuring any student concerns reach Deakin College staff. Regular meetings ensure that students communicate with Deakin College regularly. The SC also organises social events to foster a sense of community at Deakin College.

Clubs and societies

Through the Deakin University Student Association (DUSA), you can build friendships through a wide choice of clubs, sports and social events, as well as take trips and save on study costs. For more information, visit: dusa.org.au

Campus facilities

Deakin College students on Australian campuses have access to all Deakin University facilities including sport and recreational activities, libraries, bookshops, 24-hour computer laboratories and campus shops.

deakin.edu.au/life-at-deakin/student-life

Disability support

We are committed to providing equal opportunities to students with disabilities. Deakin offers support services for students with a disability, health or mental health conditions that affect their study. Speak to Deakin College about how we can support you and your studies.

Deakin College encourages students to provide all information regarding the nature of their disability during the application and enrolment process to ensure we can meet their needs.

Deakin College Student Portal

All students have access to the Deakin College Student Portal which provides important study information including unit outlines, course notes, examination timetables, results, forms and re-enrolment details.

Multifaith Chaplaincy

The Deakin chaplaincy program provides spiritual and pastoral care for all students. Our multifaith program is supportive, diverse and accepting. We provide opportunities to join workshops, prayer groups and reflection sessions so you can extend your faith. For more information on Deakin's Multifaith Chaplaincy, visit:

deakin.edu.au/students/health-and-wellbeing/multifaith-chaplain

Accommodation

Australian campuses

Be sure to arrange your accommodation as soon as you know which campus you will be studying at. Options will depend on your campus location, budget and your preferred type of accommodation.

On-campus accommodation

Living on campus means you can immerse yourself in the Deakin College experience, meet other students, and easily adjust to life at university. Designed to facilitate your studies and personal life, each Deakin residence is comfortable, secure, and welcoming. You will have access to modern facilities, a 24/7 reception, and Deakin College on your doorstep.

On-campus accommodation is available at the Melbourne Burwood Campus, Geelong Waurin Ponds Campus and Geelong Waterfront Campus.

For more information on costs, application procedures and key dates, visit:

deakin.edu.au/accommodation

Off campus housing service

If you prefer to live off campus, Deakin College can suggest accommodation options including full board, share housing and rental properties through Deakin University Student Life. For more information, visit:

studystays.deakin.edu.au

Feel at home at Deakin
Make Deakin your home and enjoy open and inviting spaces for socialising and studying, spacious new buildings and full WiFi coverage.

Waterfront campus accommodation

Choose your course

Deakin College offers diplomas in Business, Commerce, Communication, Construction Management, Design, Engineering, Film, Television and Animation, Health Sciences, Information Technology and Science. These courses aim to prepare you for entry into second year of a relevant bachelor's degree.

University-level Diplomas

Who should apply?

The diploma courses are aimed at students who have completed the equivalent of Australian school Year 12 or a selected post-secondary certificate or diploma.

Course structure

Each diploma consists of eight academic units, which you must complete and pass to receive the diploma. Most units have four hours of class per week. Assessment for all units is continuous and includes tests, assignments and case study analysis. Most units have a final two hour examination.

Course accreditation

The diploma courses are accredited by the Tertiary Education Quality and Standards Agency (TEQSA).

Diploma to degree transfer criteria

When you successfully complete a diploma, you will be eligible for entry into a Commonwealth Supported Place (CSP) in the second year of the relevant Deakin University undergraduate degree, provided you have met the following criteria:

- completed and passed eight Deakin College Diploma units*
- achieve the required Weighted Average Mark (WAM).

Deakin College students who complete their course within the normal time frame for completion (based on full-time enrolment) are considered for entry to Deakin University based on the conditions that applied at the time they commenced their course.

Information sessions on transferring to Deakin University are held at Deakin College each trimester. Dates, times and reviews are posted on the Student Portal.

*Transfer to some degrees requires specific Deakin College units to be completed in order to receive the appropriate credits. For full details and conditions, please visit the Deakin College website and click on the relevant diploma: deakincollege.edu.au.

Diploma of Business

Locations

Diploma of Engineering

Locations

Geelong Waurn Ponds Campus
Melbourne Burwood%
Online#

Duration

8 or 12 months

Academic entry requirement

Year 12 or equivalent

Units 3 and 4 in one of VCE Mathematical Methods, General Mathematics or Specialist Mathematics with a study score of at least 20; or equivalent.^

Prerequisite

Year 12 Mathematics or equivalent

2024 Tuition Fees*

\$28,552* FEE-HELP available

Intakes

March, June and October

*Fees are correct as of October 2023.

The Diploma of Engineering is a broad course that will give you the skills and knowledge required for a full spectrum of opportunities in the field of engineering. You can choose to specialise in civil, electrical and electronics, environmental, mechanical or mechatronics engineering when you enter second year at Deakin University.

Course structure

Complete and pass units worth 8 credit points plus 2-3 compulsory zero credit point modules*

Units:

- SEB101 Engineering Physics (1 credit point)
- SEJ104 Engineering in Society (1 credit point)
- SEP105 Introduction to Programming for Engineers (1 credit point)
- SET111 Sustainable Design (1 credit point)
- SIT194 Introduction to Mathematical Modelling (1 credit point)
- SIT199 Applied Algebra and Statistics (1 credit point)
- SEJ102 Electrical Systems Engineering Project (2 credit points)
- SEJ103 Materials Engineering Project (2 credit points)
- SLE133 Chemistry in our World (1 credit point)
- SLE155 Chemistry for the Professional Sciences (1 credit point)
- SLE103 Ecology and the Environment (1 credit point)

Zero credit point modules:

- DAI001 Academic Integrity Module
- SEJ010 Introduction to Safety and Project Oriented Learning
- SLE010 Laboratory and Fieldwork Safety Induction Program

Employment options upon completing your Bachelor degree

Pursue an engineering career in disciplines like Aerospace, aircraft control and navigation, automotive industry, construction, design and manufacturing, electronic control systems, factory control, government engineering, roads and railroads, shipbuilding, robotics, water supply, power engineering, natural resource management.

For up-to-date course information, core units and additional information.

^Students who have not achieved this are required to enrol in and pass two additional mathematics units during their Diploma of Engineering studies. Students studying these additional units may still complete their Diploma in three trimesters (12 months).

%New students can study this diploma at Melbourne Burwood in 2024 if they are on a pathway to the Bachelor of Engineering (Honours) majoring in Environmental Engineering, Mechanical Engineering and Mechatronics Engineering only. New students on a pathway to the Bachelor of Engineering (Honours) majoring in Civil Engineering or Electrical and Electronics Engineering cannot study this diploma at Melbourne Burwood in 2024.

#All Online students will need to attend campus between one and five days per trimester to complete their intensive practicals. Visit deakincollege.edu.au/courses for more information.

+Choice of units is based on the major you wish to study at Deakin University. Full details are listed on the Deakin College website.

Diploma of Film, Television and Animation

Locations

Melbourne Burwood Campus

Duration

8 or 12 months

Academic entry requirement

Year 12 or equivalent

2024 Tuition Fees*

\$24,442* FEE-HELP available

Intakes

March, June and October

*Fees are correct as of October 2023.

The Diploma of Film, Television and Animation is a unique course that provides a direct pathway into the Deakin University Bachelor of Film, Television and Animation. Gain a hands-on education using state of the art technology within an inspiring creative arts environment.

Course structure

Complete and pass 8 units (1 credit point each) plus 1 compulsory zero credit point module*

6 core units:

- ACF103 Writing with the Camera
- ADA102 Designing 3D Animated Environments
- ALW103 Scriptwriting Fundamentals
- AWL100 Your Future Direction
- ADA107 Principles of Animation
- ACF104 Screening History

Plus 2 electives:

- ACC100 Gutenberg to Zuckerberg: Communication in Everyday Life
- ACI102 Digital Photography
- ADD101 Design Thinking
- ACR101 Introducing Crime and Criminology
- ACR102 Introducing Crime and Criminal Justice
- ADD106 Type Foundations
- ADD105 Design Fundamentals
- ADT102 Interaction Design
- ADT103 UX Fundamentals
- ALA101 Advertising Principles and Practices
- ALA102 Creative Brand Communication
- ALJ111 Introduction to Journalism
- ALJ112 News Reporting
- ALM101 Making Social Media
- ALM102 Making Video
- ALR103 Introduction to Public Relations
- ALR104 Strategic Communication and Writing

Zero credit point modules:

- DAI001 Academic Integrity Module

+Choice of units is based on the major you wish to study at Deakin University. Full details are listed on the Deakin College website.

Employment options upon completing your Bachelor degree

Pursue a creative career such as an animator film director, producer, script writer, film editor, post-production or film crew member.

This course provides a sound knowledge and understanding of the health of individuals, communities and populations. It will allow you to enter a wide variety of undergraduate courses at Deakin University in areas such as health sciences, psychology, exercise and sport science, food and nutrition and public health and health promotion.

Course structure

Complete and pass 8 units (1 credit point each) plus 1 or 2 compulsory zero credit point modules[†]

Units:

- HBS107 Understanding Health
- HBS108 Health Information and Data
- HBS109 Introduction to Anatomy and Physiology
- HBS110 Health Behaviour
- HPS111 Introduction to Psychology: Fundamentals of Human Behaviour
- HPS121 Introduction to Psychology: Individual and Social Development
- HSE102 Functional Human Anatomy
- HSE104 Research Methods and Data Analysis in Exercise and Sport
- HSE111 Physical Activity and Exercise for Health
- HSE113 Human Growth, Development and Aging for Exercise Scientists
- HSH102 Disease Prevention and Control
- HSH112 Local and Global Environments for Health
- HSN101 Foundations of Food, Nutrition and Health
- HSN105 Healthy and Sustainable Food Systems
- HSN107 Physiology of Human Growth and Development
- SLE111 Cells and Genes
- SLE115 Essential Skills in Bioscience
- SLE123 Physics for the Life Sciences
- SLE132 Biology Form and Function
- SLE133 Chemistry in Our World
- SLE155 Chemistry for the Professional Sciences

Zero credit point modules[†]:

- DAI001 Academic Integrity Module
- SLE010 Laboratory and Fieldwork Safety Induction Program

Employment options upon completing your Bachelor degree

Explore roles such as: case manager, case worker, community health officer, counsellor, development manager, disability officer, exercise scientist, fitness advisor, food product developer, food quality assurance manager, health educator, health promotion officer, market researcher, nutritionist, project officer, sports coach, vocational guidance worker.

[†]Choice of units is based on the major you wish to study at Deakin University. Full details are listed on the Deakin College website.

[#]All Online students who are intending to pathway to the Bachelor of Biomedical Science or Bachelor of Nutrition Science must complete on-campus practicals throughout each trimester. Visit deakincollege.edu.au/courses for more information.

Diploma of Information Technology

Locations

Melbourne Burwood Campus
Online

Duration

8 or 12 months

Academic entry requirement

Year 12 or equivalent

Artificial Intelligence pathway only: Units 3 and 4 in one of VCE Mathematical Methods, General Mathematics or Specialist Mathematics with a study score of at least 20; or equivalent.^

2024 Tuition Fees*

\$26,389* FEE-HELP available

Intakes

March, June and October

*Fees are correct as of October 2023.

The Diploma of Information Technology provides a broad introduction to computing. Afterward, you can progress into more specialised areas including computer science, cyber security, data science, software engineering and artificial intelligence. Further specialisation can be pursued through major and minor sequences, where offered.

Course structure

Complete and pass 8 units (1 credit point each)* plus 1 compulsory zero credit point module

Between 5 – 6 core units, plus an additional 2 – 3 elective units:

- SIT102 Introduction to Programming
- SIT103 Database Fundamentals
- SIT111 Computing Systems
- SIT112 Data Science and Artificial Intelligence
- SIT120 Introduction Responsive Web Apps
- SIT182 Real World Practices for Cyber Security
- SIT190 Introduction to Functions, Relations and Graphs
- SIT192 Discrete Mathematics
- SIT194 Introduction to Mathematical Modelling
- SIT199 Applied Algebra and Statistics
- MMM132 Management

+Choice of units is based on the Deakin University degree you wish to enter. Full details are listed on the Deakin College website.

Zero credit point module:

- DAI001 Academic Integrity Module

Employment options upon completing your Bachelor degree

Discover opportunities in application development, web development, networking and cloud computing, data analytics, data communications, virtual and augmented reality and game development.

How to apply to Deakin College

Applying through VTAC

For entry into Deakin College's March intake only, Australian students should apply through the Victorian Tertiary Admissions Centre (VTAC). Online VTAC applications open in August for students starting in the following year.

VTAC codes for Australian students

Your VTAC course code will reflect your diploma at Deakin College and your destination degree at Deakin University. This means when you select your Deakin College diploma through VTAC, you will also be selecting the bachelor degree into which you will transfer.

Scan the QR code to visit our website and see the VTAC code for your chosen course:

Applying directly to Deakin College

As an Australian student, you can apply directly to Deakin College if:

- the VTAC Change of Preference rounds have ended; or
- you are applying for the June or October intakes; or
- you are not currently studying a standard Australian Year 12 curriculum; or
- you have successfully completed VCAL Senior

You can apply online at deakincollege.edu.au/apply

Application forms should be submitted with copies of certified academic qualifications and evidence of citizenship or residency (e.g. passport, birth certificate, visa).

What happens next?

If your application is successful, you will receive a Letter of Offer explaining the course that has been offered, the fees payable, and your orientation and course commencement dates. You will also receive an Acceptance form that outlines Deakin College's Conditions of Enrolment and Refund Policy.

To secure your place at Deakin College, accept your offer and pay tuition fees as specified in your Letter of Offer. Tuition fees can be paid via FEE-HELP (if eligible), direct deposit or credit card.

Exemptions

Students may apply for exemptions based on any previous equivalent study at another educational institute.

Payment options

FEE-HELP

Deakin College is a recognised Higher Education Provider (HEP) and allows eligible students to access the FEE-HELP loan scheme. This scheme allows students to borrow all or part of their tuition fees. For more information go to deakincollege.edu.au/how-apply/australian/fees Note: FEE-HELP is only available for Australian citizens & holders of certain humanitarian visas enrolling into the Diploma programs.

Direct deposit

Bank account details can be found in your Offer Letter.

For proof of payment, please provide Deakin College with a copy of the bank receipt.

Credit card

Payment can be made by MasterCard or Visa. Request the form from the Deakin College Admissions Office.

To find out more about your payment options, go to: deakincollege.edu.au/how-apply/australian/fees-payment/

Key terms

Higher education study

These are advanced education programs that are typically offered at university level as Bachelor, Master and Doctoral Degrees.

Mature age

Mature age students are those who are 21 years of age and over. These students may be admitted to a course without meeting the formal academic requirements if they have relevant work experience and other acceptable qualifications.

Non-Year 12 applicant

You may be considered as a non-Year 12 applicant if you meet one of the below criteria:

- you have previously attempted or completed post-secondary study at Certificate IV or above, or
- you are currently enrolled in an Australian/overseas Year 12 study or program (including the IB) and have post-secondary studies at Certificate IV or above, or
- you have no Australian or overseas secondary studies and no post-secondary studies at Certificate IV or above.

Offer rounds

A series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Pathway

A Foundation Program or Diploma offered by Deakin College that prepares students for entry into Deakin University courses.

Personal statement

A written case made directly to Deakin College to judge acceptability for enrolment. Students must state their reasons for applying as well as detailed information on the amount of time they can commit to studies, and any prior studies or work experience completed (or reasons for not completing prior studies, if applicable).

Trimester:

At Deakin College there are three trimesters; Trimester 1 runs from March to June; Trimester 2 runs from June to October; Trimester 3 runs from October to February.

Tuition fees

Course fees include:

- study support workshops
- an orientation and enrolment program
- access to library, computing, sporting and social activities
- student counselling and academic assistance as required.

Course fees do not include:

- accommodation
- meals and transport
- entertainment
- textbooks, stationery and printing
- airfares.

Other charges (if applicable)

Deakin University Student Association (DUSA) fee (see page 13): AUD\$30

Victorian Certificate of Education (VCE)

A senior secondary certificate that provides pathways to tertiary education, advanced certificate courses, and employment in the workforce.

VCE Vocational Major

The VCE Vocational Major (VM) is a vocational and applied learning program within the VCE designed to be completed over a minimum of two years. The VCE VM will give students greater choice and flexibility to pursue their strengths and interests and develop the skills and capabilities needed to succeed in further education, work and life.

Victorian Tertiary Admissions Centre (VTAC)

It is the central office that administers the application processes for places in tertiary courses, scholarships and the Special Entry Access Scheme at universities, TAFEs and independent tertiary colleges in Victoria (and a few outside Victoria).

Weighted Average Mark (WAM)

This is a calculation of all your relevant unit outcomes within a course.

The WAM is weighted by taking into consideration the credit points of a unit and the result.

To calculate the WAM for your diploma course, you will need the achievable credit points for your passed, failed and withdrawn units and the mark for each of those units.

Work and life experience

For those who want to apply for a Deakin College program on the basis of work and life experience, a short statement articulating how they will use the knowledge, skills, abilities and personal qualities gained through life experience to succeed in their chosen course. Additionally, references and/or a statement from the employer substantiating the work claim are required.

Year 12 applicant

You may be considered a Year 12 applicant if you meet one of the below criteria:

- you are currently enrolled in an Australian or overseas Year 12 program (including the IB) with no post-secondary studies, or
- you have previously attempted or completed an Australian/overseas Year 12 (including the IB) with no post-secondary studies, or
- you have previously attempted or completed an Australian/overseas Year 12 (including the IB) with post-secondary studies of Certificate I, Certificate II or Certificate III (but not Certificate IV or above).
