

2024 Streamlined Timetable Program Diploma of Business (Burwood)

What is the Streamlined Timetable Program?

To support students manage their competing commitments of work, study, family, and more, for 2024, Deakin College has created a “streamlined timetable” of **on-campus** classes.

This timetable will provide an opportunity for students to block their timetable in a way that they will only need to attend campus two (2) days per week across the trimester if studies are undertaken over a 12 month period. Students undertaking the Diploma of Business in fast track mode will need to attend campus at least four (4) days per week across the trimester.

For **Business** there are two (2) streamlined timetables – units labelled with class 10 and units labelled with class 12. Students in the program will study eight fixed units.

Completing the Diploma of Business over 12 months – students will need to attend campus 2 days per week across the trimester undertaking the following fixed units:

Trimester 1	MAA104 Financial Literacy MAE101 Economic Principles MMK101 Marketing Fundamentals DAI001 Academic Integrity Module (online only) LDM100 Language Development Module (where applicable for international students only)

- 2) Make sure you look for the specific class number for each unit (this will ensure you are selecting the correct day and time to create a streamlined timetable).

NOTE: Streamlined class availability is subject to space requirements and can only be taken if all the required streamlined classes are registered for any given trimester
