

2024 Streamlined Timetable Program

Diploma of Commerce (Burwood)

What is the Streamlined Timetable Program?

To support students manage their competing commitments of work, study, family, and more, for 2024, Deakin College has created a pilot of a “streamlined timetable” of **on-campus** classes.

This is a timetable pilot that will provide an opportunity for students to have a predictable timetable, that is classes on the same days of the week across a year. We have up to **30 spaces**.

In the streamlined timetable, students will be on-campus for two whole days each trimester. For **Commerce** this will be Monday and Wednesday. Students in the program will study eight fixed units, these are:

Trimester 1	MAA103 Accounting for Decision Making MAE101 Economic Principles MMK101 Marketing Fundamentals MAI010 Academic Integrity Module
Trimester 2	MAF101 Fundamentals of Finance MMM132 Management MIS171 Business Analytics
Trimester 3	MLC101 Law for Commerce MIS203 Managing Information in the Digital Age

Students commencing their studies in Trimester 2 of 2024 will be eligible if they wish to opt-in. The timetable for Trimester 3 is on the next page.

Who can join the Streamlined Timetable Program for Commerce (Burwood)?

The eight units chosen for the Streamlined Timetable Program lead to the following Bachelor's programs at Deakin University:

- Bachelor of Commerce
- Bachelor of Business
- Bachelor of Business (Sport Management)
- Bachelor of Business Analytics
- Bachelor of Property and Real Estate
- Bachelor of Laws

Students wishing to pursue these Bachelor programs can opt-in.

Is there any cost?
